

Town of Groveland

Water and Sewer Department

183 Main Street
Groveland, MA 01834
Tel: 978-556-7220
Fax: 978-373-6147

Water System Development Fee's

System Development Fees are based on the size of the water service supplying the property.

1"	\$3750
1-1/2"	\$7400
2"	\$11840
3"	\$33,000

3/4" Meter	\$275
Tapping Fee	\$600
Meter Pit	\$750
Shut on/off Fee	\$30
Pool Fill Reading	\$30
Ownership Transfer	\$30

The Tapping Fee will be charged in addition to the Water System Development Fee for all new services. Excavation cost and Police Officer Detail are to be paid by the applicant.

The Tapping Fee covers the cost of all Water Department labor and materials provided by the Department. These materials include 1" copper main to curb stop, 1" curb stop, curb box and stainless steel rod.

Service lines greater than 150' from the water main to the house will require a meter pit to be installed, at the homeowners expense.

All work must be completed by a contractor who is listed as a current Licensed Drain Layer for the Groveland Water and Sewer Department.

Sewer System Development Fee's

3/4" - 1"	\$2,812.50
1-1/2"	\$5625
2"	\$8,880
3"	\$24,750

All Fee's are based on the size of the water service supplying the property

A capitol maintenance fee of \$1,500 will be assessed in addition to the System Development Fee if the property utilizes one of the Sewer Lift Stations.

System Development Fee's for sewer services supplied by water services greater than 3" will be calculated based on \$7,400 per 1,000 gpd of estimated peak daily flow.

All work must be completed by a contractor who is listed as a current Licensed Drain Layer for the Groveland Water and Sewer Department.
